

REFERRAL CAMPAIGN

How it Works:

- 1 Share SimplifiVAs with someone who needs virtual assistant services.
- 2 When your friend or referral hires a part-time or full-time virtual assistant, you earn rewards! You'll get 1 point for each full-time virtual assistant hired and 0.5 points for each shared virtual assistant.
- 3 Collect 10 points, and you'll qualify for a free virtual assistant.

How to Refer:

1. Simply provide your friend's details to your dedicated account manager.
2. Let your account manager do the talking and guide your friend through the process of acquiring our virtual assistant services.

At SimplifiVAs, we recognize the potential of connections and want to extend our gratitude for considering our services. Introducing our Referral Campaign – a fantastic opportunity for you to introduce the SimplifiVAs experience to your friends and enjoy rewarding benefits!
